#### **AFSCME/SEIU Local 888 (Unit 2)**

Please [click here](#) for a full course calendar. In addition to classroom trainings, the following will also be available to eligible AFSCME and SEIU Local 888 (Unit 2) employees:

Unit 2 members will be offered reimbursement for licenses and certifications that they are required to hold as a condition of employment (excluding basic driver's license). Employees will be reimbursed the full cost of all required licenses and certifications paid for between July 1, 2017, and June 30, 2018. In order to ensure full utilization of this benefit, a reimbursement form must be submitted to the member's Human Resources Office by May 31, 2018, for timely processing. Requests for [reimbursement](#) for June 2017 renewals must be submitted by June 27, 2018.

In addition to reimbursement for required licenses, we may also have funds available for reimbursement for the cost of courses necessary to maintain those required licenses/certifications and towards the cost of renewal of licenses and certifications that are not required. The dollar amount of the reimbursement that members will receive for each non-required license or certificate, coursework to support required license and certification, and the number of licenses and certificates that will be reimbursed to each member will be determined by the number of members who request reimbursement. However, the amount paid to each eligible employee will not exceed the actual cost of the license, certification or course.

#### **SEIU 509**

Please [click here](#) for a full course calendar. In addition to classroom trainings, SEIU Local 509 members will have access to free online trainings at [PESI, Inc.](#) These trainings are for professionals in the healthcare field. To request a promo code to "purchase" classes at PESI, Inc at no cost, staff should email [hrdtraining@massmail.state.ma.us](mailto:hrdtraining@massmail.state.ma.us).

## **NAGE**
